

FIRST FRIDAY FEST

Performer Sign Up Sheet

Performers are asked sign up in advance for First Friday Fest. The set list is published the Monday, week of, and if there are any openings we give until Wednesday, week of, for folks to fill it. If you did not have the opportunity to sign up by Wednesday, week of, you have the opportunity to sign up for the next month. It is the goal of First Friday Fest to feature all genres and we most effectively accomplish this with this sign up sheet you are asked to fill out.

First Friday Fest is organized by volume. The event is organized in such a way that the music gets progressively turned up through out the night, contributing to a family friendly - and performers friendly - atmosphere. We appreciate you taking part!
